FOR three years we have fought persistently and desperately to secure a sufficient number of cars for our territory. For three years you have been extremely patient and courteous with us, and no one could possibly appreciate it more than we do.

We know, oftentimes, you have thought it rather strange that deliveries could not be made in less than six or eight months. However, all the time we were putting forth every effort day and night to secure cars for you.

Our territory has always been underesti= mated, and through special effort we have been fortunate in getting the Ford Motor Co. to allow us a special allotment of cars for immediate delivery.

We cannot, promise, however, a continuance of prompt delivery, therefore, if you want a Ford Car, we advise placing your order at once.
